

## **Light It Up**

Light It Up save the moment  
Light It Up we're in the moment  
I choose life it's taking over  
It's got a hold on me  
It sets me free

I wanna love love love  
I wanna love love love

Light It Up save the moment  
Light It Up we're in the moment  
I choose life it's taking over  
It's got a hold on me  
It sets me free

Choose life and stay in this moment with me  
Behold the beauty of love growing all around me  
Choose life and stay in this moment with me  
Behold the beauty of love growing all around me  
HEY! Choose life you choose life  
Take love hold on to love  
Choose life choose life

Light It Up save the moment  
Light It Up we're in the moment  
I choose life it's taking over  
It's got a hold on me  
It sets me free

I wanna love love love  
I wanna love love love

Light It Up  
Light It Up
